Toronto, Dec. 14<sup>th</sup> 1913  
South Residence

Dr. R. A. Falconer,

Dear Sir:-

At a meeting of the  
House Committee this morning  
it was decided unanimously  
that Mr. Irwin of room 18  
be asked to leave the house  
as soon as possible, since  
we believe he has broken  
one of the three general  
rules of the residences.

If further information is  
necessary I will be pleased  
to write you again or see  
you with regard to this  
matter

Yours very truly

J. S. Rutherford

Sec. of the House Comm.

December 15th, 1915

Mr. J. T. Irwin,

South University Residence.

Dear Mr. Irwin:

The Secretary of the House Committee of the South Residence has written to me that it was decided unanimously to ask you to leave the house immediately, inasmuch as one of the three general rules of the residence has been broken by you. I have made inquiries with regard to the matter and I must ask you to leave the house not later than Wednesday morning.

I was hoping to see you this afternoon at three o'clock, but evidently the notice did not reach you or you had another previous engagement. I should like you to come to see me some time soon.

Yours sincerely,

President.
